

**Public Information Meeting Regarding the
Minuteman Statue and the Lexington Minutemen Monument
at the Battle Green and Buckman Tavern**

Wednesday, November 18, 2015, 7:00 - 9:00 p.m.

**Public Services Building Cafeteria
201 Bedford Street**

Help plan for the long term preservation and look of the Minuteman Statue and the Minuteman Monument.

Funding has been approved for preservation work on the minuteman statue and the minuteman monument. The Department of Public Works is seeking input on two treatment methods for the above mentioned monuments. The first is to keep the current look and clean and reseal them. The second is to restore each to their original bronze condition and then reseal them. The preservation work needs to occur regardless of the treatment method chosen.

This public information meeting will have the following format:

- 7:00 – 7:30 p.m. Update of Architect Meeting
- 7:30 – 8:00 p.m. Update Process to Move Forward
- 8:00 – 9:00 p.m. Comments, questions and answers related to the two treatments

You can also send your comments and questions to dpinson@lexingtonma.gov.

After hearing public comments and suggestions staff will consult with the Board of Selectmen to discuss the consensus opinion and look for a recommendation to move forward.
